March 2012

To access moving company SCAC codes and contact information:

From www.army.mil/SDDC Surface Deployment and Distribution Command webpage access "Personal Property" link on the LEFT.

Then from the "LINKS" on the RIGHT, access "Domestic Approved TSPs" link. The moving company master listing will be displayed. The moving companies can be identified by their full names or their 4 digit SCAC codes that appear on the DD Form 1840.
