Volunteer Opportunities

Girls on the Run is a non-profit after school, curriculum based program working with girls ages 8-13. The 20-lesson Girls on the Run curriculum combines training for a 5K (3.1 miles) running event with lessons that inspire girls to become independent thinkers, enhance their problem solving skills and make healthy decisions. All of this is accomplished through an active collaboration with girls and their parents, schools, volunteers, staff, and the community.

Girls on the Run has two upcoming events: A 5K Run on November 21 and the Candy Cane Dash on December 5. The link to register directly and view the volunteer opportunities is next to each event.
