The NICBR Spring Research Festival is requesting members of the community to sign up as a poster judge. When you share your time in venues such as the Spring Research Festival, it promotes collaboration among established scientists and sets a standard for our young researchers to emulate. Thank you for volunteering.

A large part of the festival revolves around poster presentation. We encourage all individuals, including technical staff, postdoctoral fellows, staff scientists and senior staff to participate as judges.

At this time, we expect the poster numbers to be >100 and it is our goal to have every poster evaluated by two (2) judges.

Please visit the SRF website and click on “judging”. There you will find a more detailed information along with the score sheet to be used.

The ASIST satisfies the Fort Detrick requirement for Suicide Prevention Training of all Gatekeepers. Attendance at the full two days is essential in order to receive a certificate of completion.

The ASIST is currently mandated for Department of Army gatekeepers. Fort Detrick will provide this training to Department of Army employees within the fence of Fort Detrick. Forest Glen employees may attend a session of their choice at Fort Detrick.

Contact (301)-619-1751 to register or find out more about ASIST.
