- **Access Control Point Reminder**

Everyone, especially the driver in the vehicle must present a valid ID such as CAC, DOD issued ID, or State issued ID card, so please have them readily assessable, (not in card holder or wallet with plastic window). Be sure Installation ACP Guards can visually see inside your entire vehicle in order to validate that all persons inside the vehicle have presented valid credentials. This might require the back passenger windows to be rolled down for taller vehicles and or darker tinted windows. The guard will physically take possession of your ID cards in order to validate the photo to the person and observe for the front and back for tampering.
